Palette Mini 03: Gold and Silver Viction:workshop,Victionary,2019-12-12 The best-selling PALETTE colour-themed series remains one of the most successful and sought-after references for designers around the world. Its first three editions - Black & White (Vol. 1), Multicolour (Vol. 2) and Gold & Silver (Vol. 3) - form the basis of a classic collection that continues to be relevant and reliable through the variety of compelling concepts and visuals featured; in-demand even though they are no longer in print. In keeping with the ever-changing demands of creative practitioners today without losing the essence of the original series, these three fan favourites will now be re-edited with the latest works, and made more accessible under the PALETTE Mini series, with future releases of editions 04 - 08 to follow. Redesigned rather than reprinted for easier and more efficient reading and collecting, PALETTE Minis will be packed with style and substance like their predecessors; serving as the intriguing, instrumental, and timeless sources of inspiration that they have always been. With their mesmerizing sheen, metallic colors add luster to surfaces as they catch the eye even under the dimmest of lights. Through a vast variety of mediums and techniques, the artists and designers featured in Gold & Silver (Vol. 3) demonstrate great sensibility and sensitivity in using metallics on materials to balance form and function.
